

# CURRICULUM VITAE

John R. Nesselroade

August 2006

---

## Personal Information

**Home:**

116 Chestnut Ridge Road  
Charlottesville, VA 22911  
(804) 977-0998

**Office:**

Department of Psychology  
University of Virginia  
Charlottesville, VA 22904-4400  
(804) 924-0660

**Fax:**

Home: (804) 977-0998  
Psychology: (804) 982-4766

**Email:**

[jrn8z@virginia.edu](mailto:jrn8z@virginia.edu)

**Birthdate:**

March 13, 1936

**Family Status:**

Married; Two children, two grandchildren

**Military Service:**

United States Marine Corps (1954-1957)

## Formal Education

**B.S. Mathematics, 1961**

Marietta College, Marietta, Ohio.

**M.A. Psychology, 1965**

University of Illinois, Urbana–Champaign, IL

**Ph.D. Psychology, 1967**

University of Illinois, Urbana–Champaign, IL

## Academic Employment History

**1966–1967:** *Research Associate*, Laboratory of Personality and Group Analysis, University of Illinois

**1967–1969:** *Research Associate*, Human Resources Research Institute, West Virginia University

**1967–1970:** *Assistant Professor of Psychology*, Department of Psychology, West Virginia University

**1970–1972:** *Associate Professor of Psychology*, Department of Psychology, West Virginia University

**1972–1975:** *Associate Professor of Human Development*, College of Human Development, The Pennsylvania State University

**1975–1984:** *Professor of Human Development*, College of Human Development, The Pennsylvania State University

**1977–1980:** *Professor-in-Charge of the Graduate Program in Human Development and Family Studies*, The Pennsylvania State University

**1980–1981:** *Acting Associate Dean for Research and Graduate Study*, College of Human Development, The Pennsylvania State University

**1981–** *Visiting Senior Fellow (Gastwissenschaftler)*, Max-Planck-Institute for Human Development and Education, Berlin, Germany

**1984–1990:** *Research Professor of Human Development*, College of Human Development, The Pennsylvania State University

- 1987–1988:** *Acting Head*, Department of Individual and Family Studies, The Pennsylvania State University
- 1988–1991:** *Director*, Center for Developmental and Health Research Methodology, College of Health and Human Development, The Pennsylvania State University
- 1990–1991:** *Distinguished Research Professor*, College of Health and Human Development, The Pennsylvania State University
- 1991–** *Hugh Scott Hamilton Professor of Psychology*, Department of Psychology, University of Virginia
- 1994–1995:** *Acting Chair*, Department of Psychology, University of Virginia

### Professional Memberships and Honors

- American Association for the Advancement of Science Fellow
- American Psychological Society Charter Fellow
- American Psychological Association Fellow ( Divisions 1, 5, 7, 20)
  - *President of Division 20 (Adult Development and Aging), 1982-83*
  - *Distinguished Contribution Award Division 20 (Adult Development and Aging), 1994*
  - *Master Mentor Award of Division 20 (Adult Development and Aging), 2001*
- Gerontological Society of America Fellow
  - *Distinguished Career Contribution Award of Behavioral and Social Sciences Section of the Gerontological Society of America, 2003*
  - *Robert W. Kleemeier Award, 2006*
- Society of Multivariate Experimental Psychology
  - *Secretary-Treasurer, 1972-76*
  - *Cattell Award for Distinguished Multivariate Behavioral Research, 1972*
  - *President, 1999–2000*
  - *Saul B. Sells Award for Distinguished Lifetime Achievement in Multivariate Experimental Psychology, 2003*

- *Jeffrey S. Tanaka Award for Outstanding Publication in Multivariate Behavioral Research* (Boker, S. M. & Nesselroade, J. R. (2002). A method for modeling the intrinsic dynamics of intraindividual variability: Recovering the parameters of simulated oscillators in multi-wave panel data. *Multivariate Behavioral Research*, **37**, 127–160.), 2003.

- International Society for the Study of Behavioral Development

## Teaching Interests

- Lifespan development, temporal invariance, stability, and change in personality and ability dimensions
- Methodology of structuring and measuring change
- Multivariate analysis
- Developmental research methods

# Publications

## Journal Articles

Cattell, R. B., & Nesselroade, J. R. (1965). Untersuchung der inter-kulturellen Konstanz der Persönlichkeitsfaktoren im 16 P.F.-Test. *Psychologische Beiträge*, **8**, 502-515.

Cattell, R. B., & Nesselroade, J. R. (1967). Likeness and completeness theories examined by sixteen personality factor measures on stably and unstably married couples. *Journal of Personality and Social Psychology*, **7**, 351-361.

Cattell, R. B., & Nesselroade, J. R. (1968). Note on analyzing personality relations in married couples. *Psychological Reports*, **22**, 381-382.

Cattell, R. B., Balcar, K. R., Horn, J. L., & Nesselroade, J. R. (1969). Factor matching procedures: An improvement of the S index; with tables. *Educational and Psychological Measurement*, **29**, 781-792.

Baltes, P. B., & Nesselroade, J. R. (1970). Multivariate longitudinal and cross-sectional sequences for analyzing ontogenetic and generational change: A methodological note. *Developmental Psychology*, **2**, 163-168.

Nesselroade, J. R., & Baltes, P. B. (1970). On a dilemma of comparative factor analysis: A study of factor matching based on random data. *Educational and Psychological Measurement*, **30**, 935-948.

Cattell, R. B., Delhees, K. H., Tatro, D. F., & Nesselroade, J. R. (1971). Personality structure checked in primary objective test factors, for a mixed normal and psychotic sample. *Multivariate Behavioral Research*, **6**, 187-214.

Nesselroade, J. R., Baltes, P. B., & Labouvie, E. W. (1971). Evaluating factor invariance on oblique space: Baseline data generated from random numbers. *Multivariate Behavioral Research*, **6**, 233-241.

Baltes, P. B., & Nesselroade, J. R. (1972). Cultural change and adolescent personality development: An application of longitudinal sequences. *Developmental Psychology*, **7**, 244-256.

Baltes, P. B., Nesselroade, J. R., Schaie, K. W., & Labouvie, E. W. (1972). On the dilemma of regression effects in examining ability level-related differentials in ontogenetic patterns of intelligence. *Developmental Psychology*, **6**, 78-84.

Nesselroade, J. R. (1972). Note on the "longitudinal factor analysis model." *Psychometrika*, **37**, 187-191.

Nesselroade, J. R., Schaie, K. W., & Baltes, P. B. (1972). Ontogenetic and generational

- components of structural and quantitative change in adult behavior. *Journal of Gerontology*, **27**, 222-228.
- Bartsch, T. W., & Nesselroade, J. R. (1973). Test of the trait-state anxiety distinction using a manipulative, factor-analytic design. *Journal of Personality and Social Psychology*, **27**, 58-64.
- Fitzgerald, J. M., Nesselroade, J. R., & Baltes, P. B. (1973). Emergence of adult intellectual structure: Prior to or during adolescence? *Developmental Psychology*, **9**, 114-119.
- Nesselroade, J. R. (1973). Faktorenanalyse von Kreuzprodukten zur Beschreibung von Veränderungsphänomenen (Change). *Zeitschrift für Experimentelle und Angewandte Psychologie*, **20**, 92-106.
- Daly, D. L., Bath, K. E., & Nesselroade, J. R. (1974). On the confounding of inter- and intraindividual variability in examining change patterns. *Journal of Clinical Psychology*, **30**, 33-36.
- Labouvie, E. W., Bartsch, T. W., Nesselroade, J. R., & Baltes, P. B. (1974). On the internal and external validity of simple longitudinal designs. *Child Development*, **45**, 282-290.
- Nesselroade, J. R., & Cable, D. G. (1974). "Sometimes it's okay to factor difference scores"—the separation of trait and state anxiety. *Multivariate Behavioral Research*, **9**, 273-282.
- Nesselroade, J. R., & Baltes, P. B. (1975). Higher order factor convergence and divergence of two distinct systems of personality: Cattell's HSPQ and Jackson's PRF. *Multivariate Behavioral Research*, **10**, 387-408.
- Bath, K. E., Daly, D. L., & Nesselroade, J. R. (1976). Replicability of factors derived from individual P-technique analyses. *Multivariate Behavioral Research*, **11**, 147-156.
- Cattell, R. B., & Nesselroade, J. R. (1976). The discovery of the anxiety state pattern in Q-data, and its distinction, in the LM model, from depression, effort stress, and fatigue. *Multivariate Behavioral Research*, **11**, 27-46.
- Friel, J. C., & Nesselroade, J. R. (1976). Test of the replicability of Cattell's HSPQ factor structure, using item parcels. *Journal of Multivariate Experimental and Clinical Research*, **2**, 23-32.
- Hultsch, D. F., Nesselroade, J. R., & Plemons, J. K. (1976). Learning-ability relations in adulthood. *Human Development*, **19**, 234-247.
- Baltes, P. B., Nesselroade, J. R., & Cornelius, S. W. (1978). Multivariate antecedents of structural change in development: A simulation of cumulative environmental patterns. *Multivariate Behavioral Research*, **13**, 127-152.

- Lebo, M. A., & Nesselroade, J. R. (1978). Intraindividual differences dimensions of mood change during pregnancy identified in five P-technique factor analyses. *Journal of Research in Personality*, **12**, 205-224.
- Ellsworth, R. B., Collins, J. F., Casey, N. A., Schoonover, R. A., Hickey, R. H., Hyer, L., Twemlow, S. W., & Nesselroade, J. R. (1979). Some characteristics of effective psychiatric treatment programs. *Journal of Consulting and Clinical Psychology*, **47**, 799-817.
